Designated REALTOR® Membership Application

Designated REALTOR®: Each office shall designate one REALTOR® member, who shall also be a member of the Association, in order for licensees affiliated with the firm to select the Association as their "primary" association. The Designated REALTOR® is responsible for all duties and obligations of membership; including, but not limited to, the obligation to arbitrate or mediate disputes, notify the Association of agent changes, and ensure that the office maintains its REALTOR® office standing. If the Designated REALTOR® becomes inactive all other primary members associated with that office will also become inactive.

The "Designated REALTOR®" must be a sole proprietor, partner, corporate officer, or branch office manager acting on behalf of the firm's principal(s), and must meet all other qualifications for REALTOR® membership.

If the applicant is not a current CORE member, a New Member Application must be submitted with this form.
