

Meet Online, Close the Deal

zipConsult® provides an easy way to share and review documents online. Powered by AnyMeeting, zipConsult® lets you conduct one-on-one meetings or larger group collaboration sessions with anyone, anywhere. Launch meetings directly from zipForm® Plus and provide a fast way to connect.

zipConsult® is included with zipForm® Plus at no additional cost, supported through advertising.

Upgrade to record meetings and remove advertising for \$18 per month.

- Support for up to 200 meeting participants
- Video Conferencing with up to six people at once
- Screen sharing, easily share anything you can display on your screen
- Built-in conference calling, with a conference number and PIN codes
- Participants join with either their phone or a computer mic and speakers
- Document sharing, hosts can present documents directly within the meeting
- Take meeting notes, upon conclusion notes are emailed to you and attendees
